Gained foundational knowledge in Linux and actively participated in multiple *picoCTF* competitions and cybersecurity challenges to develop hands-on skills in ethical hacking and problem-solving.

Tutoring

01/2022 - 05/2022

Tutor

I tutored a ninth grader, shared my notes, helped her with home works, helped her make suitable schedules and improve her lowest grades.

Volunteering

11/2021 - 04/2022

At Happy Children's Specialized Clinic

I assisted the medical staff by taking vitals, welcoming and guiding patients at the reception, preparing blood and stool tests and organizing patient files.

Active Member in clubs

11/2019 - 08/2021

Interact Club and Social Service Club

I was a member of the fund raising committee and was able to prepare events, games and competitions to raise money for charity and school equipments. Additionally, I was a volunteer who was able to take care of children at a children's shelter: help them study, wash and braid their hair and play with them.
